Pernille Aalund

10 taler om at slippe frygten

People's Press

"Du kan ikke forhindre, at livet ramler omkring dig, men du kan modtage dine slag med en tro på, at der er andet end den smerte, du står midt i lige nu. Ingen bør synge forgæves, græde forgæves, elske forgæves - leve forgæves."

Pernilles 10 taler kredser om sider af eksistensen - om at finde ud af at leve og om at have friheden til det, som de mennesker vi alle er.

Talerne er baseret på Pernilles egne erfaringer og på de iagttagelser, hun har gjort sig i løbet af de mange tusinde snakke med mænd og kvinder igennem årene. Dybe samtaler om alle sider af et menneskeliv: fra de store tragedier til hverdagens lette bekymringer.
