The #1 Sunday Times and International Bestseller from 'the most influential public intellectual in the Western world right now' (*New York Times*)

'Everyone must read 12 Rules For Life... The most enlightening book I have read in ages' Chris Evans

Acclaimed psychologist Jordan Peterson has become one of the most influential public thinkers to emerge on the world stage for many years, with his lectures on topics from the Bible to romantic relationships to mythology drawing an unprecedented following of tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of individual responsibility has resonated powerfully around the world.

In this #1 international bestseller, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Drawing on vivid examples from Peterson's clinical practice and personal life, cutting edge psychology and philosophy, and lessons from humanity's oldest myths and stories, *12 Rules for Life* offers a deeply rewarding antidote to the chaos in our lives: eternal truths applied to our modern problems.
