This Top Five Classics edition of Dickens's immortal classic, *A Christmas Carol*, includes the original color illustrations by John Leech, as well as another 20 woodcut engravings by Sol Eytinge Jr. from the 1869 American edition by Ticknor & Fields. Beautifully designed and carefully proofed for digital publication. Includes a short introduction and bio.

Ebenezer Scrooge, a miserly old curmudgeon who spurns Christmas as a "humbug," is given the chance to redeem himself through the intervention of four Spirits on Christmas Eve. If reading Dickens's most beloved story doesn't put you in the true spirit of Christmas, you may be beyond hope.

As Scrooge's nephew Fred said, "I have always thought of Christmas time . . . as a good time: a kind, forgiving, charitable, pleasant time: the only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely, and to think of people below them as if they really were fellow-passengers to the grave, and not another race of creatures bound on other journeys."

Or as Tiny Tim put it more succinctly, "God bless us every one!"
