Miss Lydia Charingford is always cheerful, and never more so than at Christmas time. But no matter how hard she smiles, she can't forget the youthful mistake that nearly ruined her life. But even though the worst was kept secret, someone else knows the truth of those dark days: the sarcastic Doctor Jonas Grantham. She wants nothing to do with him...or the butterflies that take flight in her stomach every time he looks her way.

Jonas Grantham has a secret, too: He's been in love with Lydia for more than a year. And this winter, he's determined to conquer her dislike and win her for his own. All he needs to start is a single kiss...
