It will take a miracle to survive Christmas...

Victoria is about to have a baby. But not just any baby, a wolf-dragon hybrid, and her overprotective mother-in-law isn't giving her any peace. She means well, but by the time Victoria finds herself climbing out a bathroom window to escape her overly-vigilant family, she realizes something's got to give. And if they don't back off, more than just the holiday will be ruined.

Join the crazy, fun Petronilla dragon clan for A Very Dragon Christmas and find out if their holiday season—and their unique family bond—can be saved!

Author note: This is a novella length, 'slice of life' set in the Darkness series and should not be read as a stand-alone. It's for readers of the series who want more of their favorite characters!
