About the author

Marion Lennox is a country girl, born on an Australian dairy farm. She moved on, because the cows just weren't interested in her stories! Married to a 'very special doctor', she has also written under the name Trisha David. She's now stepped back from her 'other' career teaching statistics. Finally, she's figured what's important and discovered the joys of baths, romance and chocolate. Preferably all at the same time! Marion is an international award winning author.
