Blackbird.

Vicepolitikommisær Axel Steen er på sit livs nedtur, da hans chef, Jens Jessen, får et yderst penibelt tip om, at det er lykkedes den russiske mafia at placere en muldvarp centralt i den danske politietat. Jens Jessen begynder diskret at kredse stikkeren ind, og inden længe optræder fem navne på hans liste over mistænkte. Blandt dem er Axel Steen, hvis accelererende stofmisbrug og tætte kontakt til Nørrebros bandemiljø kun er med til at gøre ondt værre.

Mens Axel nærmer sig bunden med faretruende hast, overskrider han alle sine personlige grænser i kampen for at rense sit navn og redde sit skrøbelige omdømme. Og først alt for sent går det op for ham, at hans ekskone, Cecilie, spiller en afgørende rolle i sagen.

#### Om forfatteren:

Jesper Stein er født 1965 i Århus. I 2008 skrev han, i samarbejde med Bent Isager-Nielsen, bestselleren Man jager et bæst og fanger et menneske. Uro var hans debut som skønlitterær forfatter og i samme serie findes Bye Bye
