The official novelization to the highly anticipated movie, **Alita: Battle Angel**. A young woman with no memory of her past uncovers her incredible destiny in **Alita**, a groundbreaking new experience from visionary filmmakers **James Cameron** and **Robert Rodriguez**.

From visionary filmmakers **James Cameron** (*Avatar*) and **Robert Rodriguez** (*Sin City*), comes **Alita: Battle Angel**, an epic adventure of hope and empowerment.

When **Alita** (**Rosa Salazar**) awakens with no memory of who she is in a future world she does not recognize, she is taken in by **Ido** (**Christoph Waltz**), a compassionate doctor who realizes that somewhere in this abandoned cyborg shell is the heart and soul of a young woman with an extraordinary past. As **Alita** learns to navigate her new life and the treacherous streets of **Iron City**, **Ido** tries to shield her from her mysterious history while her street-smart new friend **Hugo** (**Kean Johnson**) offers instead to help trigger her memories.

But it is only when the deadly and corrupt forces that run the city come after **Alita** that she discovers a clue to her past - she has unique fighting abilities that those in power will stop at nothing to control. If she can stay out of their grasp, she could be the key to saving her friends, her family and the world she's grown to love.
