Clay Preston is the most desirable guy in school, and boy does he know it!

Movie star looks paired with a quarterback's body, he's every girl's dream guy-but not mine. To me, he's simply my best friend, the one who has been there as far back as I can remember.

Our relationship has always been easy, playful and affectionate, but after one lost bet, and one payment in the form of a kiss, the dynamic of everything changes...

Note: Always You is book one in the Best Friend series; however, it is a standalone novel with a complete ending.

EDITORIAL REVIEWS FOR ALWAYS YOU:

"It was one hell of a ride, with all the possible bumps and surprises you somehow didn't see coming." - Book Freak Blog

"The book had plenty of unexpected twists and turns! Which were all very dramatic. It was definitely a page turner! -- Keep Calm and Read a Book Blog

"I'm forever being told that I'm a sop when it comes to love stories and this story did nothing to help my cause - if anything, it made me more of a sop! The writing was amazing and portrayed a fantastic relationship full of love and affection. I thought it was a fab idea to tell some of the story from Clay's perspective and what a great perspective - he dotes on Riley - he could teach my fiancé a thing or two! - Fairy Tale Ending Book Review

"A Must Read" - Book Reader Chronicles

"Fan-flipping-tastic... The first time I read this, I finished it in one sitting and I really liked it. But when I read it again, taking a couple days to finish it, I liked it even more than I did the first time." - All My Friends Are Books Blog
