**A sexy category romance from Entangled's Brazen imprint...**

*She craves what only he can give her. But he's not giving in without a fight...*

Veterinarian Sal Kennedy's lost her mojo and is desperate to get it back. In fact, as the anniversary of the tragedy that destroyed her life looms large, she'll do anything to erase the painful memories, including overdoing the tequila and making a pass at the most annoyingly inappropriate man on the planet. Fellow veterinarian Doyle Jackson is her flatmate and her employee and therefore strictly off-limits.

Unfortunately, Doyle knows how to bring the goods and make her mojo sit up and beg.

Doyle is only too happy to oblige Sal in her hour of need, but then she demands more, and she's perfectly happy playing dirty to get it. He wants more, too--more than just sex, that is,

and it's something Sal's not willing to give. But Doyle is in this for the long haul now, and he's prepared to fight even dirtier to get what he wants. Even if that means they both keep losing all their clothes in the process...
