En lille pige forsvinder fra et tog lige efter ankomsten til Stockholm. I en anden del af Sverige lever en ung kvinde i skjul, bange for en dag at blive fundet af manden, som hun først troede var den prins og befrier, hun siden barnsben havde ventet på. Hun ved bedre end nogen anden, hvorfor pigen er forsvundet, og endnu en gang forbereder hun sig på flugt.

Politiefterforskningen ledes af den legendariske politimand Alex Recht. Ved hans side står akademikeren Fredrika Bergman, som skulle have været violinist, men i stedet havnede inden for politiet. Hun kæmper nu hårdt for at lede efterforskningen væk fra det spor, politiet først slog ind på.

ASKEPOT er første bog i serien om Fredrika Bergman.
