Colin Spencer is a tattoo artist with a past he'd prefer to keep a secret. Actually, he has a few secrets that he'd rather people didn't know about, which is why Colin doesn't do commitment. But when a shy sailor approaches him at the gym, Colin finds this guy pushing all his buttons.

Growing up in a conservative family, then escaping with the Navy, Daniel Moore is an unsure virgin who feels like he can't share his true self with anyone. Seeing Colin—and his tattoos—at the gym are the sign Daniel needs to finally get those tattoos he's always wanted, and maybe try his hand at flirting.

As Colin and Daniel spend more time together, their awkward hesitations turn into a deep passion neither expected. But with both men harboring secrets, will their relationship be able to survive their insecurities and become something beautiful?

Back Piece by L.A. Witt is a sexy, emotional journey of two people learning to love and finding acceptance for who they really are.

L.A. Witt also writes under the name Lauren Gallagher.
