Bailey

I grew up in the Wild Kings MC. Since I was a girl, I wanted to do everything my brother and his friends did and prove to them that I could do it better than they did.

Everything changed for me when I started having feelings for Grim. He became the love of my life. Even though I am hurt on a daily basis by his need for club girls, I can't just shut my feelings off. That changes when Brock 'Gage' Wilson and I suffer a tremendous loss. One that I don't know how I'll come back from.

Grim

I am the president of the Wild Kings MC. There's nothing like knowing you have a group of men, family, that have your back and will do anything to support you.

Joker, Cage, Irish, and Glock became my best friends growing up and I would lay down my life for them. I tried to make sure that Bailey didn't get hurt or in too much trouble. In doing that, I started to have feelings for her that I had no business having. I don't want an old lady. Never have, never will! A different girl every night ensures they don't get attached.

Can Bailey get past her pain and move on? Is Grim too late to fix his mistakes? Will more danger tear them apart for good?
