"If you think for one minute I'd share you with another man, love, you're sorely mistaken."

For Arianne Holbrook, discretion isn't just a job requirement—it's what keeps her alive. So when a hot, mysterious Brit starts asking too many questions at an exclusive art auction in New York, Ari's got one shot at saving herself: seduction.

Too bad his masterful touch leaves her aching to be tamed, again and again...

In the boardroom or the bedroom, billionaire social media tycoon Jared Blackwell is always in control, and commanding the devious brunette's pleasure is no exception. But Jared is certain there's more to this beauty than meets the eye. Behind her sinfully dirty mouth, the intriguing art collector hides dangerous secrets.

Secrets another man would kill to protect.

Ari knows better than to mix business and pleasure, but men like Jared can be *very* persuasive. After a night of unforgettable passion, will she play it safe and walk away, or will she lay herself bare to the billionaire?

**** Cliffhanger alert! **** Admit it: just like Arianne, you're a little bit sassy, a little bit naughty, and you *love* being teased! *Bared to the Billionaire* is a 4-part serialized romance series designed to leave you begging for the ultimate climax. For maximum panty-melting enjoyment, books must be read in order.
