Abbey is having a bad day. Not only did she quit her job after discovering her ex boyfriend slept with her friend, she's about to have sex with a complete stranger. In front of a hidden camera.

Nick Delaware is called The Machine by his employees, but on an interstate business trip, he's not himself - literally. His VP of Marketing has skipped town, so Nick assumes his identity at the last minute to protect his investment. He doesn't expect any problems, especially not in the guise of a beautiful woman who coerces him into having sex with her.

What happens when Abbey finds out Nick's not the man she thought him to be? And what happens to Nick when he discovers he's head over heels in love with a woman who makes him lose control.
