Bedemandens datter er første bind i en ny trilogi af Sara Blædel.

I Bedemandens datter møder vi Ilka, der rejser til USA for at rydde op efter sin afdøde far. Han forlod hende og hendes mor, da hun var syv år gammel, og i 33 år har de ikke haft kontakt. Derfor kommer det som et chok, da hun finder ud, at hun er nævnt i hans testamente.

Ilka rejser til USA for at finde ud af, hvem faren egentlig var, men det bliver sværere, end hun regner med. For selv om faren tydeligvis har haft hemmeligheder, har ingen lyst til at fortælle hende, hvad de ved, og Ilka havner i stedet i en situation, hvor hun risikerer at hæfte for noget, hun aldrig kommer fri af igen...
