*A USA TODAY Bestseller!*

## MYA

*I want this job. And no one, especially not the office playboy is going to stand in my way. He's cocky and irritating and entirely too good-looking.*

So WHY the hell did I just tell him my most shameful secret?

## MILO

*I want her. Not sure what I did in my past life, but it must have been bad. Because the only woman I want is my co-worker. My competition.*

When I find out she's never taken a trip to O-town, we make a little wager. Not only will I win the client, but I'll prove to her that multiple's are NOT a myth.

We work together all day and fight between the sheets all night. But somewhere along the way, I discover that winning isn't enough.

I don't just want to win.  
I don't just want her body.  
I want her to... beg me.

**BEG ME is a completely inappropriate romantic comedy. Side effects may include clutching your pearls and laughing until you almost choke.**
