A Better Than Story

Matt Sullivan understands labels: law student, athlete, heterosexual. He has goals: graduate and begin his career in law. One fateful night, Matt tags along with his gay roommate to a dance club and everything changes. Matt finds himself attracted to the most beautiful man he's ever seen. All labels go flying out the window.

Aaron Mendez doesn't believe in labels, and he's leery of straight curious men. He makes it clear that he'll hide his fabulous light for no one. While Aaron can't deny the attraction between him and Matt, he is reluctant to start anything with someone who is still dealing with what this new label means—especially when that someone has a girlfriend.

Winner in the 2013 Rainbow Awards.

Sixth: Best Gay Debut

Tenth: Best Gay Contemporary Romance (William Neale

Award)
