THIS INSTALLMENT OF BLUE MOON CAN STAND ALONE

The Story of: HAWK, PIERCE, SHOT & FOX ALONG WITH THE OTHER BEASTMASTERS

Pierce aka Strategic Intelligence Specialist, Backhander is back to flush out some of the DEA's most notorious criminals, and he has one helluva' team backing him up. The country's most decorated Navy Seals...the Beastmasters.

Pierce is more than capable of doing his job, but he has one insanely hot distraction that continuously causes him to second guess his hidden orientation.

Dane Aramis, call-sign, Hawk. Hawk can see what most people can't, and whether his sexy Pierce wants to admit it or not, he can see the brilliant man's desire runs deep for him.

However, when Pierce and the Beastmasters are on their final assignment, the last person they expect to encounter with the opposition is rogue assassin...Omega. The man is unstoppable, and when he comes too close to what Hawk holds dear, the Beastmasters call on the only man that can control the lethal assassin. Omega's faster, deadlier brother, Alpha.

Bringing Alpha back into society may be disastrous for everyone involved. But, Hawk is willing to take that risk to keep Pierce safe.
