It has been four years since Oakley, her mum, and brother fled to Australia. With the trials looming, she makes the decision to return to England. Oakley is desperate for closure so she can put the past behind her and move on with her life.

How will she cope when she comes face to face with the two people that hurt her the most, and the one person that she hurt the most?

Her love for Cole never faded, but how will he react to her return after so long? Will they be able to put everything behind them in order to have a happy ending?
