\*A sizzling romance from a USA TODAY Bestselling Author\*

\*This is a full-length novel (NO cliffhanger)\*

Dani has her future all planned out. She's not the type to fall for a bad boy, no matter how panty-melting his grin is or how shamelessly he flirts. But Damon draws her in and slowly, she uncovers the secrets he hides: underneath his arrogance lies a lonely soul, his flirting smile masks despair.

Damon arrives in Dani's life against his will. His father insisted he change high-schools right in his senior year. He can't wait to turn eighteen and be in charge of his own life. He knows he should stay away from Dani, but she's so lovely he just can't keep himself from gravitating around her.

When life throws at them more than they can handle, their paths split.

But Damon is determined to win her back. When he steps back into her life one year later, hell-bent on proving her he's become the man she deserves, will he convince her to lower her guard and give their love a second chance?
