## Saints Protection & Investigation

A private investigation business, pulling together men from the CIA, FBI, ATF, DEA, Border Patrol, SEALs, and police, devoted to the missions that no one else wanted or could solve.

Nick Stone - a stoic, dedicated FBI agent. His life was neat and orderly, just the way he liked it. Bayley Hanssen - a vivacious romance novelist and bookstore owner, thrived on chaos.

When the two collided when he was on a stakeout, she turned his life upside down. Disenchanted with the political posturing of his superiors, the lure of working for the Saints became a reality, as he discovered life with the fun-loving Bayley was just what he needed.

When human traffickers struck close to home, Nick and the Saints fought to keep Bayley safe.
