Skylar Grey lost everything when her fiancé died. But her move back to her hometown, Billings, Montana is not the fresh start she seeks, as too many people know her tragic tale. But then she meets a bull riding cowboy who treats her like she's made of fire and everything changes.

Cody Galen joined the American Extreme Bull Riders Tour to make money, not friends. He enjoys whiskey, winning, and women and he doesn't care who he pisses off while he pursues the hell out of all three. He figures he only has a few years left before his body gives out and he might as well go down hard in a blaze of glory. He knows the pretty thing he meets his first night in Billings is no buckle bunny, but if she wants to play that role, who is he to argue?

Neither one of them is looking for anything lasting. But there's only one thing more dangerous than riding bulls—and that's love.
