Leaning N

A fist fight, a snowstorm, a stolen kiss in the barn... and a second chance at love.

Ford Nixel has two law offices, two fancy condominiums, and all the right connections. In short, he has everything he wants.

The last thing he needs is his Uncle Ty's stake in the Leaning N, a ranch that's been in the family for generations. Ford hasn't even been to the ranch in over a decade, not since he left his boyfriend Stoney behind and headed back to college alone.

Ford arrives at the Leaning N to find Stoney, now a single father, right where he left him. A fist fight, a snowstorm, and a stolen kiss in the barn later—Ford knows none of the heat between them has dissipated.
