I'll work for my dad's best friend but only if he teaches me everything.

He showed up with a \$10,000 check to my party.

"For you, gorgeous," he says, kissing me on the cheek.

I'll never forget how his soft lips felt.

I can still smell that s*xy cologne.

He's my dad's hot best friend.

And when he hires me as his assistant, I decide he has to be my first.

*

I know the rules: Never fall for your employees.

And especially never think about f*cking Violet.

She's my best friend's daughter.

He trusted me to protect her from other men.

And I am jacking off in the shower thinking of her.

I'm the one staring at her taut curves.

I'm enjoying her company more than I should.

Well, I can sense trouble coming.

But first, I want to make her come.

This is the second book in the Dad's Best Friend Series by Amy Brent.
