From USA Today bestselling author Katie Reus comes the ALL NEW Redemption Harbor series where sparks fly and so do bullets...

He foolishly let her go...

When the woman he loved walked out of his life, Brooks Alexander was certain she did so willingly—with the cool two million his father had offered as incentive to walk away. So when the former Marine scout sniper learns that Darcy didn't take a dime of his father's payoff, Brooks realizes he made an epic mistake. He's determined to set things right and reclaim his woman. Except neither task is as easily accomplished as he first thought.

Now her life is in his hands...

Wedding planner Darcy is no stranger to disappointment when it comes to the men in her life. When Brooks accused her of taking his father's bribe, she was devastated that he thought so little of her—and realized he never knew her at all. So she walked away with her pride intact and her heart broken. Now, months later, an overheard conversation puts Darcy in the crosshairs of a dangerous criminal with powerful connections. With nowhere else to turn, she has no choice but to put all her trust in Redemption Harbor Consulting—and its cofounder, the man who broke her heart.
