Tightly written, beautifully crafted, and something meant to be read more than once. Cherise Sinclair has gained a fan for life with this one. ~ Whipped Cream Reviews

After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion...or her love.

Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark

citadel he's made of his heart.

During their three nights together, the teacher will learn to submit...can she teach the master to love?
