De vilde svaner. Eventyr af H. C. Andersen. Langt borte herfra, der hvor svalerne flyver hen, når vi har vinter, boede en konge, som havde elleve sønner og en datter, Elisa. De elleve brødre, prinser var de, gik i skole med stjerne på brystet og sabel ved siden; de skrev på guldtable med diamantgriffel og læste lige så godt udenad, som indeni, man kunne straks høre, at de var prinser. Søsteren Elisa sad på en lille skammel af spejlglas og havde en billedbog, der var købt for det halve kongerige.
