Det er i slutningen af juni måned og afrejsedag for filminstruktøren Sam, hans kone Andrea og fire af deres nære venner. De er en del af en større flok familier fra villakvarteret i Visby, der i hverdagen deler det meste: Børnepasning, havearbejde, middage, fester, løbeture og hinandens bekymringer. Den årlige sommertur er et tiltrængt afbræk i rutinerne og en anledning til at gøre noget anderledes sammen, kun de seks, uden børn.

I år har Sam planlagt en temarejse i Ingmar Bergmans ånd. De skal deltage i Bergman-ugen på Fårö, og bagefter tager de til Stora Karlsö for at opleve tusindvis af lomvier lette fra de stejle klipper og flyve mod syd, i ly for vinterens kulde. Men undervejs går noget helt galt. Den dobbelte tavshed er en nervepirrende psykologisk krimi, der borer dybt i de hemmeligheder, selv venner skjuler for hinanden.

Den dobbelte tavshed er Mari Jungstedts syvende fritstående bog i serien om politiinspektør Anders Knutas, hans kollega

Karin Jacobsson og journalisten Johan Berg.
