Den nye jarl er første bind i Lisa Kleypas' nye historiske Revenel-serie.

Devon Ravenel, en af Londons mest største skørtejægere, arver uventet en jarltitel med tilhørende gods. Med den nye magtfulde position i selskabslivet følger en række forpligtelser ... og adskillige overraskelser. Hans besiddelser er tyngt af gæld, og den afdøde jarls tre søstre bor fortsat i huset ... sammen med Kathleen, Lady Trenear, den smukke, unge enke. Hendes skarpe vid og målbevidsthed matcher Devons, så et viljernes sammenstød er uundgåeligt. Kathleen ved bedre end at stole på en skruppelløs slyngel som Devon, men der er en gensidig tiltrækningskraft imellem dem, som det er umuligt at kæmpe imod- Og da Devon først holder hende i sine arme, sværger han at gøre hvad som helst for at få hende. Kathleen falder for hans kompetente erotiske forførelse, og så er der kun et spørgsmål tilbage: Hvordan undgår hun at overgive sit hjerte til den mest farlige mand, hun nogensinde har kendt?
