Det er igen Robert Langdon, hovedpersonen fra *Da Vinci Mysteriet*, der er på færde, og at der vil være fart over feltet fra første side, er der ingen tvivl om. Browns redaktør udtaler: "Intet er nogensinde, som det umiddelbart ser ud til i Dan Browns bøger. Denne bogs handling forløber over en periode på 12 timer, og fra første side vil læseren mærke spændingen og opdagelseslysten, mens man følger Robert Langdon gennem en mesterlig udført og overraskende handling. *The Lost Symbol* er fuld af overraskelser."

Dan Brown selv udtaler: "Denne bog har været en både underlig og vidunderlig rejse. At flette fem års research sammen til en fortælling, der strækker sig over 12 timer var en fantastisk udfordring. Robert Langdons liv bevæger sig tydeligvis i et højere tempo end mit."
