When Devil, the most infamous member of the Cynster family, is caught in a compromising position with plucky governess Honoria Wetherby, he astonishes the entire town by offering his hand in marriage. No one dreamed this scandalous rake would ever take a bride. And as society mamas swooned at the loss of England's most eligible bachelor, Devil's infamous Cynster cousins began to place wagers on the wedding date.

But Honoria wasn't about to bend society's demands and marry a man "just" because they'd been found together virtually unchaperoned. No, she craved adventure, and while solving the murder of a young Cynster cousin fit the bill for a while, she decided that once the crime was solved she'd go off to see the world. But the scalding heat of her unsated desire for Devil soon had Honoria craving a very different sort of excitement. Could her passion for Devil cause her to embrace the enchanting peril of a lifelong adventure of the heart?
