From *New York Times*, *Wall Street Journal*, and *USA Today* bestselling author Meghan March comes a sexy spin-off duet from *The Dirty Billionaire Trilogy*. Are you ready to get dirty again?

*Desperately seeking rich, famous, single guy with a giant cock to make my lying, cheating, should've-been-born-dickless ex-boyfriend realize what he's just lost. Oh, and I give great head. Just sayin'.*

No man in his right mind would answer that ad. Except thousands did.

My name is Greer Karas, and I should never be allowed near another bottle of booze again. Because when I drink, my friend and I do stupid things. Like take a page out of my older brother Creighton's playbook and post something completely asinine on the Internet. Waking up with a giant hangover to find my humiliating personal ad has gone viral is not my finest moment.

Cue my look of shock when one of Hollywood's hottest new bad boys, Cavanaugh Westman, comes knocking at my door and drops his pants to prove that he does indeed have a giant cock.

What he doesn't have is an explanation for why he disappeared from my life without a word three years ago, only to show up on the big screen two years later, killing bad guys in action flicks.

And now he wants me again.

What the hell do I do now?

The story concludes in *Dirty Love*, available now.
