Eighteen months ago, Kit Maldonado was so over Nando Avrogado, she left Konigsburg without a backward glance. With the family restaurant in San Antonio sold out from under her, though, she's back to manage The Rose, an exclusive resort eatery outside town. Once there, she realizes she might not be as over Nando as she thought.

As the town's new Assistant Chief of Police, Nando's got enough trouble without sexy Kit fanning embers he thought had long ago burned to ashes. Every time he turns around, she's there—and it doesn't help that everyone in town wants to see them back together.

One incendiary kiss, and there's no denying the force of their attraction. But there's a mysterious and oddly familiar burglar who's been lurking around Konigsburg, someone who isn't above a little mayhem—maybe even violence—to cover his tracks.

Each book in the Konigsburg series is STANDALONE:
