A geek. A virgin. One sexy holiday.

Orphaned Lucas figures spending the holidays with his obnoxious roommate's family in New York City is better than staying alone on campus upstate. He ends up sharing a room again, this time with his roommate's brother, Nate. Geeky photographer Nate isn't at all what Lucas expects. In fact, he's incredibly sexy—especially when he invites Lucas into his darkroom...

They hide their attraction during Hanukkah celebrations, but behind closed doors, Lucas and Nate can't keep their hands (or mouths) off each other. Nate's only looking for a bit of holiday fun, and amazing sex with a hot virgin definitely fits the bill. Yet as the candles burn, Nate and Lucas begin to realize eight nights will never be enough.

This gay holiday romance from Keira Andrews features secret trysts, new adult angst, spinning the dreidel, and of course a

happy ending. 25,000 words.

Note: Originally published as Eight Nights. New edition significantly revised and expanded.
