I thought things couldn't get worse. I was wrong.
I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift.
This was the mystical being I was hidden from for more than twenty years.
Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything.
Now in the Horde Realm, nothing is going remotely like I thought it would.
My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with.
The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away.
I still have choices.
Embracing what destiny has planned for me, or escaping it.
