He was my party-boy billionaire stepbrother...

Now he's my disinherited, sexy escort? FML!

Kyle: She was my geeky, brace-faced stepsister. Now she's a stunning Hollywood actress. And she just became a client at the upscale escort agency where I work. Things might finally be looking up.

Lowell: I had a PR disaster on my hands. I needed a pretend boyfriend--so I called the escort service. But then stepbrother bad boy showed up. Now I'm all sorts of screwed. Or wishing I was. Wait--I take that back! I take it back!

Kyle: My powerful father will do anything to keep me away from Lowell, including dangling my fortune in front of me. But I just might be more interested in what my sexy ex-stepsister has to offer. That is, if I can convince her to give it to me.

This is a standalone romantic comedy that puts the "fun" in dysfunctional family. You don't have to read the other books in The Escort Collection to enjoy this one, but you totally should!
