You know that group of people in school that everyone fears? Popular. Beautiful. The in-crowd? That was my family. Kind of. We were above that group. We held court over everyone else. We were the best looking. We were the mysterious and elusive ones. Most of the girls wanted to (and did) date the guys, but they didn't want to be one of us. They couldn't be. They were our prey. We were the feared. But like every family, nothing is as it seems. That was my truth. Kellan was in his own league. He was our leader and he was the one no one messed with. No one dared. He was ruthless, powerful, and no one could match him... Except for me. I was about to find out just how different I was from my family.

**Evil is a full-length paranormal romance stand-alone.
