Jules Montgomery is too busy and content with her life to worry about a man, especially one Nate McKenna. If growing up with four brothers has taught her anything, she knows to stay away from sexy men with tattoos and motorcycles. That goes double if he's your boss. During the one incredible night they shared, he violated the no fraternization policy...among other things, and it won't happen again. Jules won't risk her career for mind-blowing sex, no matter how much her body and her damn heart keep arguing with her.

Nate McKenna could give a s**t about the no fraternizing policy. He wants Jules and he'll have her. The rules could bend around them, or be damned. He's not a man to be taken lightly, and Jules Montgomery is about to find out just how he responds to being pushed aside after the best night of sex he's ever had. She can fight all she wants, but he'll have her in his bed in the end.
