From the # 1 New York Times bestselling author of *Wait for You* and *Be With Me*, comes a richly moving story about heartbreak and guilt, second chances and, most of all, hope...

Six years ago, Jillian Lima's whole world was destroyed. The same night her childhood love Brock Mitchell broke her heart, her life was irrevocably altered by a stranger with a gun. After years spent slowly rebuilding the shattered pieces of her life, Jillian is finally ready to stop existing in a past full of pain and regret and is determined to start living. The one thing she never expected was the impossibly handsome Brock walking back into her life...

Brock can't believe that the breathtaking woman standing before him now is the little girl who used to be his shadow growing up. Unable to stay away from each other, their tentative friendship soon sparks into something more and the red-hot chemistry sizzling between them can no longer be

denied.

But falling for Brock again risks more than just Jillian's heart. When the past resurfaces, and a web of lies threatens to rip them apart, the fallout could lay waste to everything they've ever cared about...
