Lucia Jordan DbsBook

Here, presented in one volume, are the four stories that comprise the 'Flirting With Desire' series, a seriously hot and provocative thriller by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion.

Hanna's life should have been perfect. She had a boyfriend she adored, a wonderful job and few worries. Oh, except the fact that she'd just been promoted to work for the worst boss in corporate history. Damian Rush.

He was the rich, handsome mogul everyone loved to hate. He was CEO of the finance division of his father's mega-million company. He was insufferable, a slave driver and unfortunately, one of the sexiest men she'd ever met.

Damian was a man who liked control. Hanna knew from the first day that they would never get along. And as for the sparks that flew each time she saw him, she chose to ignore

the signs. She had a man in her life and she'd like to keep him. Even the strange thrills her commanding, magnetic and totally hateful boss brought coursing through her body would not overcome her. She was stronger than her deepest, heated desires. Or was she?

This ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
