I den gamle egyptiske by Theben samles faraos trofaste undersåtter for at hylde ham under Osiris-festivalen. Men den kloge og synske eunuk, Taita, ser ham kun som et symbol på rigets forfald. Han er slave for Lord Intefs datter Lostris, der er forelsket i den unge officer Tanus. Deres drøm om en fælles fremtid bliver knust, da Lord Intef nægter at lade dem få hinanden. I stedet gifter han Lostris bort til kongen, den gamle, impotente farao, og Tanus bliver udvist til ørkenen. Men de har alle gjort regning uden slaven Taita.

Med den velbegavede slave Taita som talerør berettes om dagligdag og lidenskab i det gamle Ægypten, på et tidspunkt hvor nationen rystes i sin grundvold af krig og magtbegær.

Wilbur Smiths serie om det gamle Ægypten består af: Flodguden (1), Den syvende skriferulle (2), Magiens mester (3) og Den 11. plage (4).

Det skrev anmelderne om Flodguden:

“The brutality of life in ancient times is everywhere evident in Taita's tale, which involves fatal intrigue at every turn. It's clear Smith knows his subject: his graphic depiction of lust, bloodletting, politics, and, in Taita's case, honor is firmly grounded in rich details that evoke the period.”

- Booklist

“A grand tale of intrigue, deception, true love and exile.”

- Denver Post

“An epic ... Smith joins the ranks of the grand masters of twentieth-century novels.”

- Tulsa World

“A rich, compelling look back in time [to] when history and myth intermingled.” - San Francisco Chronicle
