Dramatisk insiderberetning

Henrik Qvortrup og Lars Trier Mogensen tager læseren med ind i regeringens allerhelligste rum. På baggrund af samtaler med nøglefigurerne giver de to garvede journalister et unikt indblik i magtkampene, spinnets og alle dramaerne. Her bliver læseren klogere på, hvad der i virkeligheden foregår i toppen af dansk politik.

Bogen er en nærgående og kritisk skildring af en regering, der har levet på andres nåde. Den giver også læseren et politisk portræt af en statsminister, der i sin tid hævdede, at han ikke vil være med for enhver pris, men som siden har vist sig villig til at give køb på det meste - undtagen magten.
