A lady forgotten by all...

Ruby St. Augustin must find the truth of her past to determine what her future holds. She only has a short time in London to uncover the identity of her real father and the secrets behind her birth. If anyone learns of her mission, she will disgrace everyone she holds dear. What she doesn't expect is to draw the attention of a man who doesn't care about his reputation or her past.

A man mesmerized by one...

Harold Jakeston is a man without wealth or title. Resigned to a life he loathes, Harold has the chance at a few weeks of freedom before being trapped in a future he wants no part of. When he's drawn into the mysterious quest of a woman from his past, he embraces the opportunity to forget the life that awaits him. What he never anticipated is falling in love with a woman who ignites his desire to create a new future for

himself and for her.

A love neither can abandon...
