*Sometimes the things we shouldn't want become exactly what we need . . .*

Waitressing at a seedy strip club isn't ideal, but it pays Sarah Adamson's tuition. Her goal is to finish her master's program and get a job that doesn't involve tight skirts and groping hands. She doesn't need distractions. Especially not the one that comes in the form of a hot-as-sin tattoo artist who works across the street from her apartment.

Kicked out at sixteen, and a high school dropout, Chris Zelter is familiar with wanting things he can't have. His fractured life has never been easy. As the product of someone else's bad decisions, he knows exactly what happens when the wrong person controls your marionette strings. Now an accomplished tattoo artist in a renowned studio in Chicago, Chris has it together.

Mostly.

Apart from his infatuation with Sarah. She's way out of his league, and Chris knows it.

But he's willing to be her bad decision. At least for now.
