From the USA Today bestselling author of the Bliss series comes a new spin off series featuring your favorite Bliss series characters who are yet to meet their match. Now it's Cade and Abi's turn.

How do you know when fake turns real?

Abi Cook lives her life by her own rules. She works hard, plays hard, and knows who she is and where she wants to be.

Following a repeat one-night stand with the dashing Dr. Cade Carsen, Cade asks Abi for a favor: be the fake girlfriend on his arm for the duration of his father's mayoral campaign.

Never one to turn down a challenge, she doesn't hesitate. I mean, who would when all that's involved is a little fake girlfriending with a side of hot sex, and with Doctor Hottie no less?

But like any Game, there are always twists and turns, unexpected players, villains, heroes and ultimately, winners and losers.

Game Saver is the story of what happens when two happily single people try for something less, but end up with something so much more
