På en parkeringsplads i Nordsjælland sidder direktøren for et af verdens førende medicinalfirmaer død i sin bil. Få kilometer derfra ligger den ghostwriter, som skulle skrive hans biografi, skudt gennem hovedet. Politikommissær Lene Jensen sættes på sagen, der involverer en forsvunden dagbog med sprængfarlig viden, som stærke kræfter i medicinalindustrien vil gøre alt for at holde skjult. Hurtigt viser sagen sig også at pege i retning af hendes mand, privatdetektiven Michael Sander, som ligeledes har en mørk hemmelighed i sit liv.

Ghostwriter er femte selvstændige bind i serien om Michael Sander og Lene Jensen, der begyndte med Trofæ.
