Sam Webster lives for three things: his little heart patients, his dog and surfing.

Out on the waves this gorgeous lone wolf finds the solace he craves. Until he's interrupted by bubbly new nurse Zoe, who asks him to teach her to surf. Her request is Sam's worst nightmare - but Zoe's lust for life is infectious and tempting...

About the author

Marion Lennox is a country girl, born on an Australian dairy farm. She moved on, because the cows just weren't interested in her stories! Married to a `very special doctor', she has also written under the name Trisha David. She's now stepped back from her `other' career teaching statistics. Finally, she's figured what's important and discovered the joys of baths, romance and chocolate. Preferably all at the same time! Marion is an international award winning author.
