In Christian's own words, and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled hundreds of millions of readers around the world.

CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty - until the day that **Anastasia Steele** falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him - past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart.

Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?
