MICHAEL RASMUSSEN har fortalt myndighederne om sit eget dopingmisbrug. Og om andre rytteres. Han er efterfølgende blevet kaldt stikker - af folk, som samtidig hævder, at de ønsker en ren sport. Holdningen synes at være, at man skal fortælle alt, men endelig ikke det hele.

Argumentet er lige så korrump som cykelsporten selv, men symptomatisk for en sportsgren, hvor rytterne bliver stigmatiseret, ligegyldigt hvad de gør. Holder de kæft, er de løgnere, der dækker over doping og ødelægger sporten. Går de til bekendelse, bliver de også kaldt løgnere og udstødt af cykelverdenen. MICHAEL RASMUSSEN har besluttet sig for at gøre op med tavsheds-kulturen. Kun den egentlige fortælling kan bringe cykelsporten videre.

Nu er han klar til at fortælle sin historie.
